

## Analyzed Work Sample

Student \_\_\_\_\_ Teacher \_\_\_\_\_

*Please analyze one sample per area of concern. Each sample should be attached to a separate form.*

**Check the area of concern:**

Oral Expression     Listening Comprehension     Written Expression  
 Basic Reading Skills     Reading Fluency     Reading Comprehension  
 Math Calculation     Math Reasoning

**Date:**

Assignment was completed on \_\_\_\_\_ (date).

Assignment was completed during \_\_\_\_\_ (subject area).

Assignment was completed during \_\_\_\_\_ period/block at approximately \_\_\_\_\_ (time).

**Task:**

Please describe the task the student was asked to perform: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

The directions were given  orally  in writing  both.

The directions were given  individually  to a small group  to the entire class.

The assignment was given during a  regular class  co-teaching class  separate class  
 regular class with support services  other \_\_\_\_\_.

The materials presented were  grade appropriate  below grade level  above grade level.

The task aligned with  grade level standards  below grade level standards  above grade level standards  lower level prerequisites to grade level standards  functional life skills.

The task focused on  review material  newly introduced material  independent practice materials.

**Performance:**

The student required \_\_\_\_\_ (time) to complete task.

The student required a  typical amount of time  longer than expected amount of time  shorter than expected amount of time

Please describe grading criteria used and explain how the student performed based on that criteria: \_\_\_\_\_  
\_\_\_\_\_

**Behavioral Observations:**

Was the student actively engaged in the lesson?  not at all  rarely  sometimes  often

Did the student ask for additional directions?  yes  no  appeared to be able to complete task without additional directions

Was the student able to complete the task?  yes, with minimal assistance  yes, with no assistance  yes, with frequent assistance  no, even when assistance was provided  no, but didn't ask for assistance
